

# Bays and Foreshores Subcommittee

## terms of reference

June 2025

### Objectives

- To help ensure that the bays and foreshores to the north of Glebe and Forest Lodge are restored, maintained, preserved and, where appropriate, developed in a way that benefits the community and the environment
- To build on The Glebe Society's years of successful activism in ensuring that the foreshore is accessible to all and that it can be used in a way that respectfully and safely balances the needs of various users, on and off the water

### Activities

In pursuit of the above objectives, the Bays and Foreshores subcommittee may

- Advise and make recommendations to the Management Committee
- Make itself aware of development activity (or inactivity) that may affect the bays and foreshores
- Provide information about bays and foreshores matters to members through the Bulletin and website
- Maintain relationships with relevant people within Government and Council, and with neighbouring community groups
